طارق كنول

Kanwal Tariq

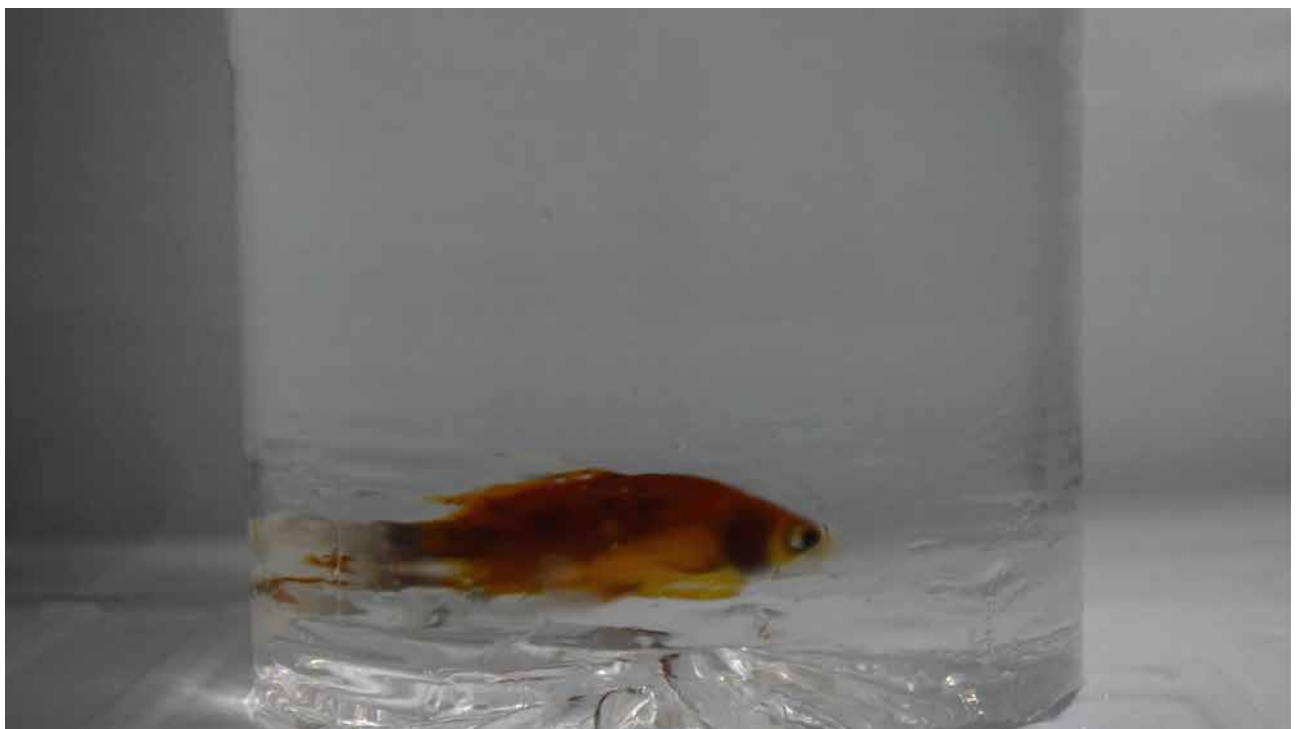

Pakistan

"Wir kommen zur Welt ohne Wissen um die Qualen und Schmerzen anderer. Unsere Seelen gehen fort, und andere leiden, nicht wir. Das Erste hilft uns, im Leben Gutes zu erwarten, und das Letzte ist schlicht Angst vor dem Unbekannten. Ein Dialog zweier Zustände, Sein und Nichts, Bewegung und Stillstand, Rauheit und Echtheit. Ich untersuche den Übergang von Gefangenschaft zu Freiheit, von Realität zu Fiktion, von Lärm zu Stille. Unbehagen ist dabei einkalkuliert."

Geboren 1990 in Faisalabad. MA Visual Arts, National College of Art, Lahore, 2016. BA Fine Art Painting, Institute of Art and Design, Faisalabad, 2013. Arbeitet bei Zahoor ul Akhlaq Gallery, Lahore. Performance "Any last words", Karachi Biennale, 2017. Vertrat Pakistan beim Caravanserai Regional Festival, Kabul, 2017. Gruppenausstellungen: "Visit to Home", Faisalabad, 2018; "Premise of Promise", Canvas Gallery, Karachi, 2017; "Massacre of innocents", PNCA, Islamabad, 2015. House Artist Residency 2018.

"We enter this world unaware of the torment and pain of others. Our souls depart and others experience agony, not us. The former helps us to expect good in life while the latter is just fear of the unknown. There is a dialogue between two states, being and nothingness, movement and stillness, rawness and realness. I investigate the transition from captivity to freedom, from reality to fiction, from noise to stillness. A certain discomfort of the viewer is intentional".
